COMMITMENT – HARD WORK – EXCELLENCE - RESULTS

Dear Clinician Recruiter,

It is with great interest that I am forwarding my resume for consideration as a Psychiatric Mental Health Nurse Practitioner within your organization. Given my diverse background in Nursing and exposure to the mental health and patient care industry, I feel I would be an excellent fit for the role. Please consider the following highlights from my resume:

- **ORGANIZATIONAL SKILLS** – Coordinated resources for new and existing patient care from initial admittance to discharge.
- **LEADERSHIP SKILLS** – Accomplished in team leadership, attention to detail, organizational and communication skills.
- **RELATIONSHIP BUILDING** – Expertise and excellent relationship-building skills allow interactive connection with patients, staff and attending physicians.

I thrive in challenging and results-oriented environments, and it is these qualities that attract me to a career with a company such as yours.

As a highly motivated, results-driven individual, I have a strong desire to exceed expectations and deliver the effort necessary to achieve company goals.

I would welcome the opportunity to discuss how I can address the unique challenges of this position. Please contact me to arrange a mutually convenient time for us to meet. In the interim, I thank you for reviewing this letter and the accompanying material.

Sincerely yours,
